

MINUTES OF THE 903rd MEETING OF THE BRODIE CLUB

April 18, 1995

The meeting was held in the Faunal Lab of the South Borden Building, U. of T.

CHAIR:

SECRETARY: J. Rising

MEMBERS PRESENT:

GUESTS:

APPROVAL OF MINUTES:

CLUB BUSINESS:

A field trip outing was discussed. Carrick suggested a visit to the Lishman airfield to observe the aircraft and geese under training for a Theatrical Motion Picture based on Lishman's life story. Lishman has agreed to host the Brodie Club outing on June 11th (note change in date from June 4 as discussed at meeting). Directions to Lishman's - see attached

Two new members were welcomed to the Club: Jennifer Young and George Bryant

SPEAKER:

Due to the loss of the secretary's notes and transcript, the speaker has been called upon to provide a summary of his talk and complete the minutes.

Members please bring this copy to the May 16th meeting to fill in the blanks including guests, announcements and observations.

Carrick outlined his personal experiences with leaded waterfowl including first-hand observations and involvement with research projects. An excerpt on lead in a Ducks Unlimited 'Pintail' film was shown on a video monitor as well as the entire Scott Paper video on the Ontario Trumpeter Swan Restoration Project.

OBSERVATIONS:

SPEAKMAN: Pileated Woodpecker
